

# EzTRANS 2000

BY SHOWCASE BUSINESS CENTERS, INC.

## PRODUCT OVERVIEW

With EzTrans 2000 you can charge your customers for B&W copies and faxes. It is a credit card transaction device that fully automates B&W multi-function copier systems with self-service, pay-for-use capability and automatic receipt printing. EzTrans 2000 also provides real-time usage statistics and reporting functions via the Internet, allowing owners to conveniently track transaction history.

## FEATURES AND BENEFITS:

- Working with a personal computer or Showcase kiosk, EzTrans 2000 distinguishes between B&W, letter, legal, A size, B size, duplex, and fax; and can bill each at the appropriate rates and/or charge by the minute.

- Blackboard Student Card Compatible
- Real-time web stats and reporting provide the ability to view up-to-the-minute detailed revenue stats, monthly totals, and forecasting.
- EzTrans 2000 offers centralized authorization and back-end management of pricing information.

- Automatic receipt printing allows your customer to receive a receipt at the termination of the transaction.
- Master account cards for billable tracking.
- Built-in volume pricing tiers.
- For copier compatibility, visit [www.showcasebc.com](http://www.showcasebc.com).
